### Lost Property

Sadly we have quite a bit of lost property which is gathering in school. We are planning to put this out on display on Friday 28th September at 3.30pm. Please pop into school to check if any of it belongs to your child.

We are also having some problems with items of clothing that are not named. It would be really helpful if you could please check that your child's clothes are named and that it is still readable. Many thanks in advance for your support in this matter.

### Temporary Classroom

Last week we had a visit from the people who have the difficult task of getting the mobile on site. A plan is currently being put in place to achieve this. Once this has been finalized we will be able to receive the new classroom and then the final stage of putting in the plumbing and electrics can begin

### Houses

This week we have reshuffled the house teams so your child may well tell you that they are in a new house. This is perfectly correct. We have tried to make each house more balanced with more equal numbers of pupils from each year group.

### Farm School

All classes will now be more involved with the farm school. Each class has been allocated a day or days when we expect them to take responsibility for the care and wellbeing of our animals at the close of the day. Monday and Friday is Class 3, Tuesday and Thursday is Class 2 and Wednesday is Class 1. Children who arrive in school early in the morning will be asked to let the animals out and check food and water with a member of staff.

### Forest School

Last week Class 1 went to Forest School for the first time and had an amazing time. On return to school the children were bubbling with excitement and were keen to tell us about what they had been up to. Please remember that your child needs to have appropriate clothing for this, especially now that the weather is starting to change. Even when it is raining, providing it is safe to do so, the children will still go to Forest School so a coat, wellies and warm clothing are essential.

### Diary Dates

#### **September**

Tuesday 25th— Y5/6 Football TBC

Thursday 27th— Academy Photography (from 8.45am for family groups) and Harvest/Macmillan Coffee Afternoon 2.30pm—*New date*

#### **November**

5th— School opens

#### **December**

11th—Whole School Theatre Trip

21st— School Closes

#### **January**

8th (Tues) - School opens

### Football

This week we had our first CADDSA football match at Cicely Haughton. We have joined with the Valley to create our Valhorne Team. It was a fantastic start with the children winning all three matches. Thank you to all those who helped with transport and a BIG well done to all the children who made up the team.
