

Scrub a Dub Dub!

It was all hands on deck before the Easter holidays for the PTFA and helpers (including a very cute puppy)! It was a real team effort to give our Early Years outdoor area a much needed jet wash, scrub and tidy.

The children helped out too, although some of them ended up more wet than the equipment!

A huge thank you to all who very generously gave up their Saturday morning to help out. It has made a huge difference and has highlighted where further PTFA funds are needed to improve storage and play equipment.
