

Gymnastics

April 2nd 2019, 2pm-6pm

Great Wood Primary School,
Vicarage Road, Upper Tean, Staffordshire, ST10 4LE

The course will look at improving both subject specific knowledge of gymnastics actions and improving teaching and learning in gymnastics. It will cover all health and safety information needed when teaching gymnastics and suggest ideas for effective use of apparatus.

£79 per person

Outdoor and Adventurous Activities

June 6th 2019, 9.15am-3.30pm

The Valley Primary School,
12 School Drive, Oakamoor, Stoke-on-Trent, ST10 3DQ

The course will give a range of ideas and activities for delivering Outdoor and Adventurous activities on the school site. It will also showcase ways of linking these activities to other areas of the curriculum to promote cross-curricular learning and the development of wider life skills.

£150 per person

Improving and Measuring Pupils' fitness

November 11th 2019, 9.15am-11.45am

St. Werburgh's Primary School,
Holt Lane, Kingsley, Stoke-on-Trent, ST10 2BA

The course will train staff to deliver a fitness programme as part of the National Curriculum or as an intervention club.

£79 per person
