

St. Werburgh's C. E. (A) Primary School

Love to learn, Love God, Love one another

7th June, 2019

Dear parent/ carer,

I hope that you are well and have enjoyed the first week back.

Many thanks for your understanding following the postponement of this week's Sports Day for safety reasons. Weather permitting, we will stage our first new-look Sports Day complete with rotations around different stations, on Friday 5th July at 1:30pm with Thursday 11th July at as a reserve date.

An enormous congratulations to the boys and girls in our 'owwwwtstanding' Y3/4 tag rugby team who became Cheadle and District School Sports Association (CADSSA) Champions on Wednesday at a tournament in Uttoxeter. There will be more information and a tournament report in our next newsletter, written by some of the players/champions! Well done, team! I'm sure that those who were able to join us and cheer them along will agree that they played magnificently throughout and showed superb sportsman/womanship at all times. We are all very proud of you!

As you may remember, just before half-term we had to change the collection and drop-off points for our younger pupils for a few days, due to a sudden visit by a swarm of lovely honeybees! This week, we were delighted to receive a very kind email from the bee-keeper who joined us and re-homed our newest pupils! In addition to sharing lots of interesting information about our new friends, he also told us that there were around 1,000 bees in the swarm, or 'cast' as it is known. His generosity continued when he talked about the Queen Bee, who has since laid 300 eggs! Thoughtfully, Mick, the bee-keeper, has offered our children the chance to 'name' the Queen Bee. The only stipulation for the name is that it begins with, as you will understand, the letter 'B'! We would like children to have a think about the suitable name and know that she will rule over thousands of other bees who will make delicious honey which many, many people will enjoy.

Have a lovely weekend and thank you for your ongoing support.
