

# St. Werburgh's C. E. (A) Primary School

*Love to learn, Love God, Love one another*

Friday 19<sup>th</sup> July 2019

Dear parent/ carer,

## OUR FRIENDS AT KIDIDIMA

You will remember that earlier this year we welcomed Miss Ainsworth from our sister school, The Valley, who told us all about a fund-raising project for a school in Kididima, Kenya.

We then decided to raise money as a school, and through the generosity of parents, children and staff, we were honoured to be able to pay for two children to receive a year's education.

Being able to help others is such a big part of our school motto, and we were overwhelmed to receive a letter from the two children whose lives have been transformed by the generosity of the St. Werburgh's family.

### **Morris**

Morris is a five year old little boy with 'a cheeky smile and is full of fun!' Morris lives in the village near to the school and walks each day. He lives with his mum and his grandmother who are very poor and cannot afford to pay the fee. His headteacher also tells us: "*Morris is very hard working, always leading the class, a good boy, active and playful.*"

### **Swabrina**

Swabrina is eight and her family have no source of income and so they struggle to eat food regularly. She walks a mile and a half to school every day. Much of her food comes from the porridge she receives at school, so by funding her schooling, we are also helping her to be able to eat. Her headteacher says: "*She is responsible, friendly, humble and respectful.*"

Morris and Swabrina have both written beautiful letters (using lovely handwriting!) which we have shared with the children and we are humbled to see that they are both so happy to receive our gift and they both send us the blessings of God.

We will, of course, keep you updated with any news from our new school-mates in Kenya and know that you will join us in sending love and prayers to them.

On behalf of the entire school and TMPF family, we thank you for making such a difference in a child's life in another continent. The children are showing such citizenship, such care, such thoughtfulness and are truly reflecting all aspects of their school motto:

***Love to learn, love God, love one another.***
