Winning House: Peace with 938 dojos, a fantastic effort !

Cold weather is on the way!

As you are aware the temperature is dropping and it is getting quite cold at school. We please ask that **all children come to school in a warm coat** that they can wear at break times in order to provide some shelter against the cold weather. We don't want anyone getting ill for Christmas!

Office Hours

Please remember that the school office is not open on Wednesday afternoons. If you have an emergency, please call the school mobile on 07519 104228.

Jewellery

No jewellery is to be worn for PE, swimming, after schools sporting clubs. This includes watches, fitness trackers, earrings and earring retainers. Any new piercing should be carried out at the beginning of the summer holidays so that jewellery may be removed. If a pupil cannot remove their studs for any reason, they may not be able to take part in the physical elements of the lesson due to the associated risks, however, alternative involvement in the lesson will be provided. No jewellery is permitted to be worn whilst representing the school at sport.

AGM Update

Tuesday 19th of November saw the latest AGM meeting. It was fantastic to see so many new faces there, thank you! As a result of the meeting, we are pleased to announce that Mrs Donner will be staying as the chair for another year. The Vice chair will be Mrs Milner and Mrs Jones will be the secretary. The provisional date for the next meeting is Tuesday 14th January 2020. This will be confirmed in a later newsletter. We hope to see even more new faces next time!

Sports News!

In Sporting news, our Year 5 and 6 team took part in the School Swimming gala. Well done to all children who participated! The children were a credit to the school and although they didn't finish as high as they would have liked, they all enjoyed their morning out of lessons!

Inhalers

Can you please make sure that you check your child's inhaler to make sure that it is still in date? We have checked in school and letters have been sent to children whose inhalers are nearly out of date. Also, unfortunately school cannot be asked to give children their brown inhalers (the preventer); this should be done at home prior to them coming to school.

NEW Reading Scheme

In really exciting news, we have bought into a new reading scheme! As you will be aware children should have given their school reading books back in and they have been replaced with a new one from the new Collins Big Cat scheme. Mrs Bould has been hard at work making sure that all the books are ready. The parent workshop was a roaring success! The children will be given a coloured depending on their reading age and they will also be allowed to take another book home as a free choice!

Quiet Garden update

Developments have been made with our quiet garden; an astro turf company have been into school and have taken measurements for the laying of the turf. Exciting developments are happening! Watch this space!

TT Rockstar Day

We re-launched the TT Rockstar programme with a wonderful Rockstar themed day, in line with celebrating Children in Need. Everyone made a fantastic effort with their different Rockstar themed costumes. We also managed to get everyone to play the TT Rockstars game in school, a game that can also be played at home to help improve Times table knowledge and confidence. Thank you for all of your support in making such fantastic outfits for the children to wear. They all looked amazing! The children all loved the day and can't wait to do similar events!
