Sporting News

The past few weeks have seen the conclusion of the A-League Netball where our team finished in 8th Place. The girls were a real credit to the school and had a great time during the games!

We also competed in the Year 3/4 swimming gala where children again were a credit to the school.

A note from Pathways Nursery

Our before school care begins at 7am and we also offer school drop off at either 8.20am for breakfast club or at 8.45am at the beginning of the school day. We also operate an early bird breakfast club from 7.00-8.00am which is included in our hourly rate.

The after-school care finishes at 5.30pm and we plan daily activities for your child to take part in if they wish. These include cooking, arts and crafts, games night, child choice and a nature/experiments night. These are alternated every week so children can access all activities. They also have access to their own resources and games and will be provided with a snack on arrival to the after-school club.

We do not charge extra for taking or collecting your child from school, or the snacks provided. We only charge £4.40 per hour and will break this down into 15 minute intervals, so will only charge you for the care that is needed and not a whole session.

Please get in touch with Pathways nursery on 01538 756860 if you require any further information.
