Love to learn, Love God, Love one another

25 February 2020

Dear parent/ carer,

As you know there has been a forecast of some possible inclement weather, which we hope, of course, will not affect us too much.

However, in the event of any icy/snowy conditions please use only the cleared pathways. These will be from the pedestrian entrance (up the ramp at the front of school) to the main school office entrance and to the dining room entrance. Reception class children should enter school at the dining room entrance and NOT through their usual door on icy or snowy mornings. A path to the Kingsley Kingfishers entrance will also be cleared. Please remember NOT to walk across the school car park as it is not a pedestrian entrance and as such is not gritted.

In the unusual (and rare!) event that we have to close due to health and safety issues caused by snow or ice, we will endeavour to contact you through text message and also aim to put a message on the school website www.tmpf.staffs.sch.uk/st-werburghs/.

Wrap up warm!
