Please encourage your children to log in at home. Times tables are a vital component of many areas of Mathematics, a strong knowledge of these will help your child to understand more complex ideas, such as fractions and decimals.

A huge thank you to all those who took part in the sponsored read and attended the book fair events.

Thanks to your generosity, we managed to raise a staggering £750, which shall be used to purchase new books for our school.

It was with great sadness that we learnt of the passing of Mrs Piolunowicz, affectionately known as Mrs P.

Mrs P was a valued member of the Bishop Rawle family and will be greatly missed by all.

Sport Relief

On Friday 13th March, a group of pupils from our school participated in the Sport Relief activities provided by The Cheadle Academy. All of the pupils involved had an amazing morning and thoroughly enjoyed playing bench ball, running and dancing.

In school, the children took part in a variety of sporting activities over the week and everyone had great fun! On Friday, we all took part in the Sport Relief mile challenge and collectively ran approximately 80 miles! Wow- what an exhausting achievement!

TMPF Dance Festival

On Friday 6th March 2020, a small group of children went to St. Werburgh's to take part in a dance festival. The children worked in groups to master a dance routine in the style of the Charleston! Before performing to an audience of parents. The children had a wonderful time and were fantastic ambassadors for Bishop Rawle. Well Done!
