

**NHS your perfect,  
Like a freshly baked cake,  
Not that different,  
From a cheesy pasta bake,  
Your windows are covered in rainbows,  
Just like the Easter bunny,  
Your Easter eggs will be yummy,  
Like a jar of golden honey.**

**Key workers your great,  
At the hospital your great,  
Please don't be afraid.**

**Dear God,**

**Save the people who are poorly,**

**And help this virus clear,**

**Amen.**
