

**Sweet Spring**  
**by Bella Jones**

**Flowers are blooming**  
**Spring is here**  
**Sun is beaming**  
**Everybody cheer!**

**Birds are singing**  
**Sky starts to brighten**  
**Flowers are flourishing**  
**Night begins to lighten**

**Blossom on the trees**  
**Nature so fresh and new**

**Delicious honey thanks to the bees**  
**Skies are all clear and blue**

**Daffodil so proud and tall**  
**All the flowers we adore**  
**Buttercups and daisies, oh so small**  
**Bluebells carpet woodland floors**
