Tuesday 9th February 2021

Office Hours

Please remember that the School Office is not open on Tuesday or Thursday afternoons. If you have an emergency, please call the school mobile on 07519 104228.

Thank you.

On Friday 29th January, we said our sad farewells to Mr Groom. He had a lovely final week with the children in school during lockdown and seeing all of his class in his live lessons. He was very lucky to receive lots of visitors during the week to wish him well and he loved chatting to all of our families on the playground and on the phone.

But, it was with great happiness we welcomed Mrs Stanway back to school after her maternity leave. She has really enjoyed her first week back, although a little tired, she is loving getting to know everyone in the class and in her live lessons.

We would like to say a massive **thank you** to Morrisons and The Red House in Stafford for all of their support and kind donations of food for our families. It is always amazing to be on the receiving end of such kindness and thoughtfulness.

Mrs Cadman has been working her magic and produced another lovely video of our children. This has been uploaded to Bishop Rawle's Facebook and Instagram page, it is brilliant to see so many of our pupils. Thank you to all of our families in school and those that are currently working at home for sending in great photos.

On Tuesday, we will start removing the carpets in the corridors, IT room and Red Class. We cannot wait to see the next part of our school improvement project and have new carpets fitted. We are hoping that the new carpets will be fitted over half term. As soon as the work starts, we will share with you some photos!

As always, please remember to take care and stay safe. We are all looking forward to the day that we reopen and welcome all of our brilliant pupils back.

We would like to share two lovely, 'We can do everything through Christ' posters. The challenge to include our School vision was set by Mrs Hill and Mrs Hamer, if you would like to send in your entry, please email your completed poster to your class email address.

To support our pupils who are working at home, we have purchased 20 new laptops. Currently, these have been loaned to some of our families to enable them to access their live lessons and work. It is lovely to see and talk to so many of our pupils every day.
