Our Amazing Stars!

We have been busy crowning our shiny stars in our celebration assemblies. Here are our wonderful winners from the last two weeks...

Star of the Week:

Red – Dougie and Joel

Yellow – Lily and Amelia

Green – Daria and Megan

Indigo – Evie and Tyler

Violet – Zak and Sophie

Congratulations to you all!

Office Hours

Please remember that the school office is not open on Tuesday or Thursday afternoons. If you have an emergency, please call the school mobile on 07519 104228.

Please could we politely remind you, once you collect your child/ren at the end of the school day, we ask them not to play with any school equipment or on any furniture on the school playgrounds. This is to ensure they remain safe in your care.

Thank you.

School Improvements.

Currently, we are having new carpets fitted in the main corridors of the school.

This is the final phase of our current improvements, which started with the decorating of the inside and outside of the building. We are all hoping that we will be able to welcome you into our newly decorated school, so that you can see all of this fantastic effort and hard work.

This has been a brilliant couple of weeks of work and settling back into our routines. All of the teachers have commented on how impressed they are with the work and great attitudes displayed by the children in coming back to school- albeit a little bit tired!

It has been lovely to see all of our classes in our celebrations and assemblies on MS Teams, listening to their ideas and watching the cheeky grins and waves at friends and family. A fantastic way for us all to keep in touch.

Comic Relief-Super hero style!

What a super- fantastic day! Thank you for your super-generosity and super cool clothes or costumes for this brilliant charity. All children and staff had super- fun and a big thank you to Mrs Cash for the super-tasty biscuits. We raised a super £95 for Comic Relief - thank you to everyone.

COVID-19 SYMPTOMS - SELF-ISOLATION

Should your child, or any member of the household (or anyone our child may have been in contact with) display any symptoms of Covid-19, please do not bring them into school until any self-isolation period is fully complete.

Should anyone in the household develop symptoms, please arrange a test as soon as possible. If your child has been in school the days prior to the test, or the days prior to the symptoms beginning, please let us know so we can follow our necessary procedures to minimise risk.

Kay

One of our wonderful lunchtime supervisors has decided not to return to her duties since recovering from illness. Kay has been a lunchtime supervisor with us since 2008. Last year, Kay had to pause being a lunchtime supervisor due to poor health. She now plans to spend time at home with her family, enjoying her garden, looking after her horse and having a well-deserved rest. We will all miss her cheery smile and her infectious laugh.

We are having a collection from the children and staff for Kay, if you wish to contribute, please take your contribution to Mrs Mitchell in the office.

PARKING SAFELY

As we return to having all of the children back in school, please can we remind everyone to park carefully and considerately around the school site and only for as long as it takes to drop-off. Yellow zig zags and yellow lines are on the road to keep everyone safe, Please, please respect these.

We know that all members of our school family want to keep each other safe. We can all help to do so by driving and parking carefully outside school. That moment of, "I'll be alright here for a minute" could change to "I will park where it is a little safer" - such a small decision could make a big difference!

Currently, our school times are staggered, which also reduces the need for so many cars to be around school at any one time. If we can avoid driving to school, we not only keep ourselves healthier, we also help the environment and reduce risk caused by too much traffic. It also gives a lovely additional time to spend chatting with your child whilst exercising.

We have received concern about parents parking on the zig-zags and the danger this could cause.

Please park responsibly and considerately and keep the children and other members of our school and community nice and safe.

Please look out for our new drive safely and keep safe road signs chosen especially by our school council.

Since September last year, we have been fortunate to work alongside Janet the Morrison's Community Champion.

From all at Bishop Rawle C E Primary School, we wanted to say a huge **thank**

YOU for all of the amazing support Janet has given to our school community. The children have made cards and presented her with a beautiful orchid.

Testing for people without symptoms

Residents of the Staffordshire Moorlands are being encouraged to book a COVID test twice a week – even if they have no symptoms.

We know that one in three people who have the virus show no symptoms, so it is important we identify more of the “silent spreaders” of the virus if we are to break the chain of infection.

While the roll out of the vaccine has brought hope, it will be several months before everyone is vaccinated and many more months before the full benefit.

That's why we need to keep testing even if you have had the vaccine.

So join us now in helping keep life moving again in Staffordshire and book a test today.

Testing is available at the

South Moorlands Leisure Centre Cheadle (Mon, Tues, Wed, Fri & Sat). You can book at test at:

<https://www.staffordshire.gov.uk/Coronavirus/Testing/Testing-for-people-without-symptoms.aspx?fbclid=IwAR2Sg1TO1ICPTq8U3iYM6YRYe8WkeJO-zQeaSFCooEryTM88Tlrl-OpCe4>
