

St. Werburgh's C. E. Primary School

Love to learn, Love God, Love one another

1 April 2021

Dear parent/carer,

This week is a very special time in the Christian church as we celebrate the events of Holy Week, which leads to Jesus' resurrection on Easter Sunday.

As we reach the end of a most unusual term, we wanted to thank you for your support, positive messages, and understanding, as we adapted to the latest challenges of the Covid-19 pandemic.

Although the majority of the term was subject to partial school closure, the resilience of the children and the way in which they adapted to home learning, or working within smaller classes, was brilliant. Thank you to you, as parents and carers, for the ways in which you supported them during this time.

The return to school of all children has been a special time, and again the adaptability of the children is wonderful to see. After the lovely Easter break, the existing control measures will remain in place, and the team look forward to continuing to support the children with their learning and also pastorally.

You have received a letter regarding a consultation led by Staffordshire County Council for new parking control measures outside school. If you wish to share your thoughts on this, please follow the links on the letter (which can also be seen on the website) by the deadline of Monday 12th April.

It was lovely to see the children all taking home an Easter egg on the last day of term, which is thanks to your amazing PTA and a generous donation of a number of eggs from Morrison's supermarket. During a year with limited fund-raising opportunities, the PTA wanted each child to take home a little Easter treat. We hope that the eggs will bring plenty of smiles and we are sure that they will be polished off during the Easter weekend!

May we take this opportunity to wish each of you, and your families and friends, a very, very Happy Easter. We look forward to welcoming all of the children back to school on **Monday 19th April**.

Please stay safe and enjoy the Easter break.

The St. Werburgh's team.
