## Road safety

Just before the Easter break, we purchased five road safety signs to help keep our pupils safe. We have received lots of positive feedback from pupils, parents and the local community. The School Council chose which image and message they would like for each sign, to help us keep safe and look after each other even more.

Continuing with road safety and traffic congestion theme, at the Parent Forum meeting on Tuesday 20<sup>th</sup> April, Zenobia (a parent), offered to deliver a letter from our school to the local council requesting if they would consider revising the charging times on the main car park in Cheadle to help with parking around not just our school, but our neighbouring schools too. As soon as we hear their decision, we will let you know, fingers crossed!
