

Relationships Education Policy

DRAFT

Relationships Education

This policy covers our approach to Relationships Education; a statutory component of the PSHE (Personal, Social and Health Education) and Citizenship curriculum from the Summer term 2021. It aims to set out the purpose of Relationships Education and the intended outcomes for pupils, what is covered in our curriculum and how it is delivered.

We define Relationships Education as learning about the many strands of relationships and growing up. This includes family relationships, friendships and relationships with peers and adults, healthy and unhealthy relationships, the characteristics of positive relationships, relationships online and the emotional, social and physical aspects of growing up.

Purpose and Principles

At Dilhorne Endowed C E Primary School, we believe in providing every pupil with open, honest, accurate and age-appropriate lessons all about relationships.

Our vision is, 'To be class-leading in primary education.'

Our school and Trust values are:

Trust – Trust lies at the heart of all relationships. By trusting in God we ourselves become trustworthy just as He is.

'Some trust in chariots and some in horses, but we trust in the name of the LORD our God.' (Psalm 20:7)

Mindful – Being mindful of others leads to a heart of compassion; compassion leads to a desire to act for the good of all.

'Finally, all of you, live in harmony with one another; be sympathetic, love as brothers and sisters, be compassionate and humble.' (Peter 3:8)

Peace – Peace and harmony lead to a stable and secure community where all are nurtured and can flourish.

'Blessed are the peacemakers, for they will be called the children of God.' (Matthew 5:19)

Friendship – Barriers are broken down in a loving, friendly community based around God.

'If one falls down, a friend can lift him up'. Ecclesiastes (4:10)

We highly value the partnership between school and home and will promote open and informative two-way communication. We aim to provide parents and carers with accurate information about what their child is learning in school and to provide the best learning environment and opportunities for our children.

Our Relationships Education curriculum is inclusive and meets the needs of all children, including those with special educational needs or disabilities (SEND). We also aim to promote gender equality and represent the LGBT+ community through our Relationships curriculum.

Through our comprehensive Relationships Education provision, we aim to provide all pupils with:

- the knowledge and understanding of a variety of relationships;
- the ability to identify any concerns they have about a relationship;
- coping strategies and an awareness of how and where to seek support;
- an understanding of their rights and responsibilities within a range of relationships;

- an awareness of the process of growing up and the changes they and others will experience;
- an understanding of the characteristics of positive relationships.

Statutory Regulations

From September 2020, all primary schools must deliver Relationships Education. Under the Education Act 2002/Academies Act 2010, all schools must provide a balanced and broadly-based curriculum which:

- promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, and
- prepares pupils at the school for the opportunities, responsibilities and experiences of later life. Documents that inform the school's Relationships Education Policy include:

- Education Act (1996)
- Learning and Skills Act (2000)
- Education and Inspections Act (2006)
- Equality Act (2010),
- Supplementary Guidance SRE for the 21st century (2014)
- Keeping children safe in education – Statutory safeguarding guidance (2021)
- Children and Social Work Act (2017)

Roles and Responsibilities

The Relationships Education curriculum in our school will be led by C.Broome.

All staff members involved in teaching and supporting the Relationships Education curriculum will be trained and supported where necessary.

Our Relationships Education Curriculum

Our inclusive Relationships curriculum supports the objectives set out by the PSHE Association which meet the statutory requirements for Key Stage 1 and 2. It forms a core part of our comprehensive Personal, Social and Health Education (PSHE) curriculum.

Our Relationships Scheme of Work can be viewed on the shared drive and also online on our website. Learning in Relationships Education lessons will link to learning in internet safety (via the computing curriculum).

Our lessons will be differentiated where appropriate, ensuring all children are able to participate fully. Children will be given the opportunity throughout the units of work to reflect on and evaluate their learning - assessment opportunities are built into every lesson.

Delivering the Curriculum

Our PSHE lessons are taught by staff who are trained in delivering the specific content of the lessons. Special consideration will be given when teaching particularly sensitive content and staff will be fully aware of the children in their class and how they might relate to the lesson content.

We aim to create and maintain a safe environment within which all children feel able to ask

questions and discuss issues openly. For any child wishing to discuss something confidential, relating to the lesson content, an opportunity will be provided.

Each class also has a question box, which gives children the option to write down their questions and receive an answer on a one-to-one basis, rather than in front of the whole class. Distancing techniques will be employed in our Relationships Education, as with other areas of the PSHE curriculum, meaning that children are able to discuss fictional characters and scenarios, rather than discuss their own lives and experiences.

In order to meet the needs of all children and to make our lessons engaging, we aim to deliver our Relationships Education curriculum through a variety of teaching methods and interactive activities, including:

- Draw and Write
- Debate/discussion
- Graffiti boards/sheets/post-it notes
- Leaflet design
- Mind map
- Mock radio or TV interview on a 'hot topic'
- Open questions
- Presentations
- Quizzes or Questionnaires
- Review sheet
- Role play/Scenarios
- Sentence stems or rounds
- Song/rap, commercial, poem
- Word/brainstorm, thought shower

Assessment, Monitoring and Reporting

Self-assessment is an important part of learning in Relationships Education and PSHE. Children will reflect on their learning throughout the units. We highly value pupil voice and will take into account the opinions and comments of our children about what they would like to learn. Staff delivering the Relationships Education curriculum will critically reflect on their teaching and best practice will be shared through lesson observations, monitoring of planning and children's work and training opportunities.

Comments on children's learning and progress in Relationships Education, as part of their learning in PSHE, will be reported to parents and carers during parents' evenings and in progress reports.

Safeguarding

Teachers are aware that effective Relationship Education, which brings an understanding of what is and what is not appropriate in a relationship, can lead to a disclosure of a child protection issue. In this instance, teachers will consult with the designated safeguarding lead and in his, their deputy.

Safeguarding lead: Craig Broome

Safeguarding deputy: Rebecca Love

Safeguarding consultant: Jared Eccles

Visitors and external agencies which support the delivery of Relationships Education will be required to adhere to the school's safeguarding policy and policies relating to the subjects they are teaching or contributing towards.

Engaging Stakeholders

This policy will be available to view on our website.

We are committed to working closely with parents and carers and we do this by:

Parent/carer surveys, workshops, communication about when Relationships Education will be taking place, leaflets, links to other websites on school website, home learning opportunities to follow-up learning at home, etc.)

Parents do not have the right to withdraw their child from Relationships Education, as these are statutory requirements for primary schools.
