TRUST RHE CONSULTATION

As a Trust, we shall be holding a consultation on our Relationship Health and Education (RHE) Policy at 4.30pm on Tuesday 8th June via an online platform. If you wish to participate in the policy review, please let the school office know.

Friday Worship

It has been lovely to welcome Rev Nicky and Rev Fran (in full PPE!) into school for Friday worship via Microsoft Teams. Each week, Rev Nicky will lead an act of worship from a different class 'bubble'. All the children and staff have loved seeing her and it has helped to make our Friday celebration even more special.

are taking part in the

Great British Spring Clean

To take part, please meet at Cheadle Leisure Centre
at 10.00 a.m. on Thursday 3rd June

and help us to collect litter along the brook.
Please bring an adult,
and let us know you are coming on 01538 753654 or at cecilymill@btinternet.com

Thank you!

We are pleased to announce our engagement with the Great British Spring Clean community project. As a school, we are starting our clean-up a little bit earlier than the national date, as we couldn't wait to get involved in supporting our community. Each class will be litter picking in and around our school grounds, helping to maintain and improve our local area. Those children who have taken part so far, reportedly had a great time and made a real difference. It has also been lovely to read all the positive comments being made about our efforts on social media. Families of Bishop Rawle C E Primary School have been given the opportunity to join Friends of Cecilly Brook and Hales Hall Pool in the half term holiday to litter pick.

Key stage 1 and 2 SATs

We want to say well done to all our Year 2 and 6 pupils for working so hard in their (non-published) SATs. Mrs Cadman, Mrs Stanway and Mrs Bould were very impressed with the hard work and great attitude all the pupils had towards their tests. These results will be shared with you in our end of year reports.

We hope you and your families have a relaxing half term holiday and look forward to seeing you return on Monday 7th June, thank you for your continued support.

Parking at Cheadle Hospital

We have been contacted by the Head of Research and Innovation at the Cheadle Hospital. Due to the Midlands Partnership NHS Foundation Trust currently running two large-scale research trials at Cheadle Hospital, they have requested that we (parents and carers) DO NOT use their car park. This is because, the number of visitors who will be attending the hospital during this time will be increased, and therefore parking capacity reduced.

So, please, please do not park your vehicles on the hospital car park.

Thank you for your co-operation and support.
