

July 2021

Dear Parent/Carer,

Thank you from Chartwells & Happy Summer Holidays!

We know how hard this last year has been for all of us, so Chartwells would like to say a big massive thank you to all of you for supporting us in the schools. Chartwells provide tasty, wholesome food to children whilst at school and we look forward seeing you the new term.

We hope that we are all back to business as usual to give the pupils the great dining experience they have missed out on.

We love to encourage fun and experimentation at lunch time with our 4 – 11-year olds. As you'll be aware, they're in their main developments years and helping them make the best choices and broadening their food experiences is so important. Everyday we strive to create the tastiest meals, that are nutritionally balanced and compliant with School Food Standards.

Medical Diets

- Chartwells have a dedicated Medical Diet Team available year-round to support with medical diet menus.
- The team of nutritionists also deliver kitchen teams and work to promote allergen awareness.
- If you would like further information or have a query regarding the Chartwells Medical Diets Policy please contact a member of our medical diet team.
