Summer—Where to visit.

Blackpool

Review by Evie K

Blackpool is a great place to visit because there are many wonderful sites to visit to keep the whole family busy. It is fun for all ages and it has many dining options.

Attractions:

- Madame Tussauds;
- Nickelodeon theme park;
- A large waterpark;
 - 3 piers;
 - A beach;
- The beautiful lights.

Likes: The variety of attractions available.

Dislikes: The sand storms and seagulls (they steal your chips)!

Overall: 5/5 stars

Cooking with Erin

Here is a small sandwich cake which can be put together quickly with a little adult supervision. It's amazing - trust me!

Ingredients:

Pre-made madeira sponge
125g icing sugar
15ml water
Strawberry jam
Strawberries
Sprinkles (optional)

Utensils:

Spoon
Knife
Bowl
Cookie cutter

Recipe:

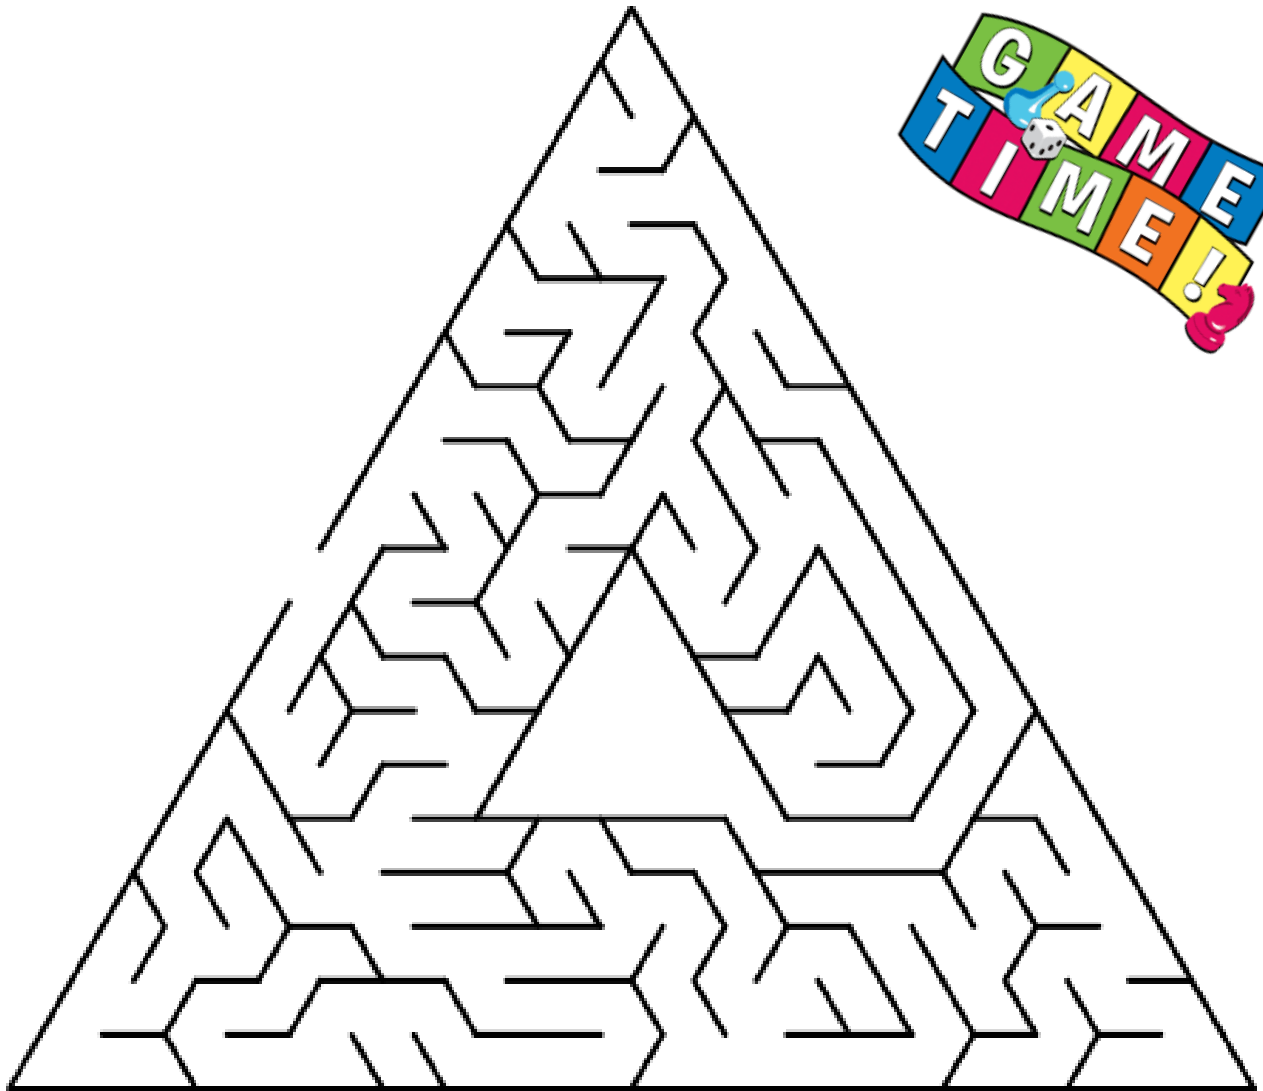

- 1) Cut the Madeira cake into circles with the cookie cutter.
- 2) In the middle of your cylinder, cut it in half to make two sides.
- 3) Make the icing by putting all of the icing sugar into a bowl and adding the warm water small bits at a time.
- 4) Put some strawberry jam on one of the sides of the cut cake.
- 5) Carefully cut up some strawberries and add them to the middle; placing them on top of the jam (ask an adult to help with the cutting).
- 6) Place the two halves of the cake together.
- 7) Put the icing on top of the cake.
- 8) If you'd like, you can add sprinkles on top of the icing.

Enjoy!
