## Do You Remember This?

There have been many memories we have made over the years which will stay in our lives forever. We have tried to write down just a few!

### Pets

We have had a few pets come into our classes over the years. In Year 1 and part of Year 2 we had Snuffles, who was a lovely rabbit that used to run round the classroom and loved to nibble. Also in Year 2, we had fish and we had the opportunity to learn how to take care of them. In Year 4 we had a visit from Alfie's pups, who were the cutest things ever!

### Productions

During our time in KS2 we have taken part in Chitty Chitty Bang Bang, The Wizard of Oz and this year we created The Greatest Showman. This year was definitely one of the best!

### Old Friends

Looking back at our time at St Werburgh's, we remember old friends who left and the joy they brought! We remember Bentley, Charlie, Oscar, Ava, Joe and Arwen.

# Letter to St. Werburgh's

**Dear St Werburgh's,**

**Thank you for all of the good times that you have given us during the last seven years. We will always remember that in Reception our teacher got pooed on and in Year 4/5 we got to see what the Romans lived like! We will always know that we will be welcomed back to St Werburgh's in the future, with the same warm welcome that we had in Reception. If we could give one piece of advice to all the children in the school, it would be try your best on everything and be yourself no matter what!**

**Goodbye from all of year 6.**

## Laser Fun

On Saturday, almost all of Year 6 went to have a game of laser tag. We had numbers and changed into camouflage clothes - it felt like we were in the army! There were two teams: the even team with Star Wars guns and the odd team with military guns. Only after we had proven ourselves with these were we trusted us with laser guns, which are surprisingly heavy! After six rounds of laser combat, the military team won with five wins. We all enjoyed ourselves a lot and, in the end, we were all winners!
