Dear Parents and Carers,

## Class 2 Autumn Term Curriculum Overview

I'd like to wish everyone a warm welcome back to school! It always feels strange seeing the children come in after the long break and noticing just how much older they all look! Everyone has settled in well and is eager to learn. Hopefully we'll have a more 'normal' year and we can all stay together for the full year! I'm greatly looking forward to getting back to teaching this wonderful group of children!

Below is a brief outline of the curriculum areas which we will be focusing upon in class throughout the summer term in Class 2.

Please note that the below is a summary and may change over the course of the term based on the children's needs and interests. It does, however, offer insight to enable you to further support your child's learning outside school.

English	Recount writing – Seal Surfer
Maths	Number & Place value Addition & Subtraction Geometry – Properties of 2D and 3D shapes / Lines of symmetry Multiplication & Division Fractions Measurement: Mass

During the Spring term, Class 2 will have P.E. on a **Thursday** and **Friday**. Please ensure that your child has the appropriate P.E. kit (including footwear) in school on these days, including an outdoor kit.

We will be taking part in Forest School sessions this half term which will take place on a Thursday afternoon. If your child wishes to bring a change of clothes for this (The waterproof jackets and trousers will be provided) then they are free to do so. Please make sure that your child has wellington boots or other appropriate footwear for these days.

Homework this term will consist of spellings practice (which is available on Class Notebook/ OneNote as well as the school website), daily reading practice of between 20 and 30 minutes a day and times tables practice through TT Rockstars at least three times a week.

It is greatly beneficial to your child when home and school work together as it enables them to flourish in all areas of school life. If you require any further information, please do not hesitate to contact me and I will do my best to assist.

Kind regards

Mr Harvey
