Worship Council News.

Did you know that we had a cake sale last week? Each class donated cakes and then they were sold for 20p. Everyone enjoyed the yummy cakes!

By Toby Herringt on member of the School Worship Council.

Thank you for donating cakes for our school cake sale. We have raised £122.60 as a school and Rev. Nicky raised £250 at church with the parish members. Thank you to everyone who bought in money to buy the delicious cakes. All of the money will be sent to our charity Refugee Action to help refugees around the world.

Harvest Celebrations

Last week we had a Harvest celebration. Each class shared something that they have learnt about or made. This included singing, poems, art work, prayers and promises. We had lots of fun celebrating together.

Eco Council Update.

In our Eco-Council meetings, we have been discussing current issues surrounding water waste and how we can help the environment. We have also been discussing the importance of monitors and how we can promote an eco-friendly world.

Eco Council have decided to launch a competition across the school. The children will be asked to design a poster to promote recycling, to save energy and how to look after the environment. Here's an example by Eleanor in Red Class...

The winner's poster will be displayed around school to remind children to be Eco-Warriors!

School Council Newsflash.

At School Council HQ we have been meeting via Microsoft Teams and talking about ways we can improve our school. What amazing ideas they have had so far!

'We have spoken about making the school a bit better by adding lockers and having a key for them, this would help us get ready for high school. We are also already thinking about Children in Need and how we can raise money. We thought we could make a game with a partner, the best game would be chosen and given to a charity shop to sell. Also, we would like school monitor jobs and having our very own school gardeners.' – **Kayla, Luna and Maison S.**

'We would like to have new reward cards in school so that we can get a stamp on our card when the teachers see good behaviour and work from us.' – **Andreaa.**

'We have been talking about how to make our school even better. I think we should have litter pickers on both playgrounds. We are thinking about Children in Need and I want to have a dressing up day.' – **Emmett.**

Farewell to Mrs Hudson.

On Friday 1st October, we said goodbye to one of our wonderful lunchtime supervisors. Mrs Hudson was presented with cards and flowers to say thank you for all of her hard work. She has worked with many pupils over the last ten years and will be sadly missed by all.
