We also asked the children, 'What makes them feel unsafe?' The responses were as follows:

The fire alarm ringing loudly;

Getting an answer wrong;

Anxiety over friends and peers being unkind.

These results will be shared with our School Council to work with staff in addressing the areas listed. We will feedback to you over the year via our School Council's section in the Newsletter.

We always appreciate and 'action' feedback from of all our stakeholders and we will be issuing a questionnaire to parents and carers very soon to gather your views.

As always, if you would like to discuss any of the above areas, please contact us and thank you for your continued support,

All of the Bishop Rawle Team.
