

St. Werburgh's C. E. Primary School

Love to learn, Love God, Love one another

Friday 21st January 2022

'Love to Learn'

Dear parents/carers,

Here at our lovely primary school, along with teaching the children subject knowledge and skills, we strive to ensure that they develop as independent learners and acquire the learning behaviours needed so that they are equipped to tackle new challenges.

Through this, we want the children to develop: independence, resilience, questioning skills and teamwork skills. Although opportunities to develop these learning behaviours are built into and taught across our curriculum; on **Thursday January 27th**, we are also having 'Teamwork Day'.

On the day, children will take part in challenges and games to develop teamwork and will be given the opportunities to reflect upon the skills needed to work well as part of a team.

As some of these tasks will be practical, we are inviting the children to come to school in their own clothes (non-uniform). However, please could you ensure that they are dressed comfortably and in appropriate footwear for practical activities.

Should you have any questions, please speak to a member of the school team.

Have a lovely weekend and please stay safe,

The St. Werburgh's team
