

# St. Werburgh's C. E. Primary School

*Love to learn, Love God, Love one another*

Monday 14<sup>th</sup> February 2022

Dear parents/carers,

Following the success of our Teamwork Day and as part of our ongoing work to develop key skills to enable the children to become confident, independent learners, this week is 'Resilience Week' in school.

During Monday's worship, each class (including staff) was presented with the challenge of practising and learning a new skill over the week. The challenges were chosen to be tricky and in need of a little perseverance (or resilience) to succeed.

Below are each classes' challenges:

- Reception - Perform a song in sign language;
- Year 1 - Learn and say a tongue-twister;
- Year 2 - Learn and perform a song on the recorder;
- Year 3 - Learn a clapping game and play and repeat it as quickly as they can;
- Year 4 - Learn and say the alphabet in French;
- Years 5/6 - Learn to juggle.

During Praise and Celebration Assembly on Friday, the children will be presenting their new skill to the rest of the school and discussing the challenges they faced and how they felt when they were finding something tricky.

Thank you for your ongoing support of the school and, should you have any questions, please speak to a member of the school team.

Kind regards and Happy St. Valentine's Day!
