

# The Valley Primary School Newsletter

As we enter the final term of this academic year there is lots to look forward to and lots of dates to make a note of. Please read this newsletter carefully.

## Building

As many of you will be aware the recent high winds during the Easter holidays have caused damage to our beautiful building. As a result, Class Three's room is not safe to use at the present time. We are in the process of getting this fixed, however, as with many building related issues, it isn't a quick fix! The children have been fantastic and taken the disruption in their stride.
