## Our Amazing Stars!

We have been busy crowning our shiny stars in our celebration assembly. Here are our wonderful winners from this week...

**Red Class: Orla**

**Yellow Class: Olivia**

**Green Class: Noah G**

**Indigo Class: Noah**

**Violet Class: Kaison**

## Congratulations to all our shiny stars!

### Attendance- Race to 5!

Each week our classes are aiming to have an attendance of 95% and above. A star is given for each time they hit the target, once 5 stars are collected....an afternoon treat of biscuits and juice has been earned!

<b>Week beginning:</b>	<b>5.9.22</b>
Red Class	99%
Yellow Class	99%
Green Class	100%
Indigo Class	98%
Violet Class	98%

Congratulations to Green Class for winning the attendance.

Well done to Red, Yellow, Indigo and Violet Class who each achieved a star for 95% attendance and above.

## Welcome Back!

A fantastic start to the new academic year and welcome back to all of our new and old pupils and families, as well as new and old staff! A busy start to the year so far, all of our pupils have come back with smiles, laughter and a Going for Gold attitude towards their school life. Swimming has started again for Violet Class, Yellow Class will be going to Forest School, our TMPF values day was great fun and we are looking forward to starting our CADSSA events next week.

## Parking Safely

We politely ask that those who drive to school park safely, considerately and responsibly remembering to be mindful of other road users and community members. On such a narrow road, we try our best to keep our children, families and wider community safe and ask that you do not park on the yellow lines. We also wish to remind you that parking on the hospital car park is for visitors and patients only.

Thank you in advance for your cooperation.

## Office Hours

Please remember that the School Office is not open on Tuesday or Thursday afternoons. If you have an emergency, please call the school mobile on 07519 104228. Thank you.

## God Bless The Queen

Due to the saddest of news from Buckingham Palace recently, the Worship Council and pupils at our school took part in several commemorative events to remember The Queen and her family.

This is a highly significant moment in all our lives and in British history. Therefore, as a school, we held a reflective class worship, including a two-minute silence within our classes.

Over the coming weekend, children may struggle to understand what they see in the news and online. As we come together as a country and nation to remember The Queen and celebrate her life we welcome you to share this prayer with your children.

The children have also been invited to write messages, prayers, thoughts, reflections and kind words about The Queen in our condolence book within school.

## **Head Boy, Head Girl and Deputies Announcement**

On Monday, we had the pleasure of appointing our new Head Boy, Head Girl and Deputy Head Boy and Girl.

Many reasons are taken into consideration when choosing our Head Boy and Head Girl, including attendance, thoughtfulness, attitude to learning, positivity and perseverance. With this in mind, it was a difficult decision to make, but we know our Head Boy, Head Girl and Deputies will be able to fulfil their roles brilliantly.

Joshua said, 'I will be an excellent role model to the younger members of our school and I want everyone to have fun and learn at school'. He is also looking forward to being a representative for our school within our community.

Kayla, who also shares the excitement to represent our school within her local area, said, 'I am looking forward to being a responsible and caring Head Girl, I will make sure everyone is happy at school. Helping people is part of my new role, so I would like people to know that they can come to me if they need to'.

Congratulations to Joshua and Kayla (Head Boy and Head Girl) and to Joseph and Maggie who are our new Deputies.

## Red Class News

What a fantastic start to the new school year!

We are so happy to have spent the last two weeks getting to know your wonderful children. They have all settled brilliantly and their personalities are shining through.

We have been busy exploring our new classroom, outdoor environment, making new friends and taking part in lots of fun lessons including: art, music, Spanish and PE.

### A gentle reminder for our parents and guardians.

Please, if you have not already done so, all data collection sheets and consent forms need to be returned to Miss Morris in the office. If you have already returned the forms, many thanks.

Next week, we will be taking our new school photograph for the local paper and social media. We are looking forward to sharing our amazing smiles with everyone.

Many thanks for your support.

## Yellow Class News

We have had two very busy and exciting weeks in Yellow class!  
We have all settled in well and although our day is quite different in Y1/2, we are getting used to our new routines.

We've been deepening our understanding of numbers (up to 20, 50 or 100) in our Maths lessons. In English, we have been labelling and captioning photos from our story and in Science, we had fun searching for living and non-living things. There were all kinds of surprises in the flower pots! Another thing we particularly enjoyed was our theme day, reflecting on the TMPF values (trust, mindfulness, peace, friendship). In the pictures you can see us taking part in a variety of these activities.

## Green Class News

A fantastic start to the new academic year for Green Class.

We have been very busy learning about Place Value in Maths and we have started our new English text, 'The Stone Age Boy'.

Last week, we had a fun filled day. With new members of the class, we thoroughly enjoyed getting to know one another, working as a team and focusing on our core values, Trust, Mindfulness, Peace and Friendship. The children participated in yoga, traversing, dance and a variety of mindfulness tasks.

Take a look at our class pictures below...

## Indigo Class News

A fantastic start to the term, we have all enjoyed reading our English text, Gorilla by Anthony Browne. Writing fantastic stories, imagining that we were flying through the air on an adventure. In Maths, we have been completing lots of work on Place Value and in Science, we went on a 'sound' walk.

In the first week, we had a great day focusing on our core values, Trust, Mindfulness, Peace and Friendship. Everyone enjoyed working as a team, getting to know each other, dancing, laughing and helping.

## Violet Class News

We have had an extremely busy start to the new school year; from settling into our new classroom to making a splash in our swimming lessons. Everyone cannot wait to continue showing off our expert swimming techniques every Monday (Please remember to send written permission in if you would like your child to wear goggles).

Working tremendously hard so far, we have made an exciting start to our subjects and topics this half-term; it is clear that we have some History fanatics within Violet Class and I'm sure they will WOW you at home with their new knowledge.

It was a very difficult decision voting in our new School Councillors, Eco Councillors and Worship Councillors. However, our new representatives must have stood out and shone to the rest of the class, as they were chosen by their peers. Violet Class are looking forward to seeing events and new ideas that are presented by the councils.
