Dear Parents and carers,

Re: Class Three Autumn Term Two Curriculum Overview

Below is a brief outline of the curriculum areas which we will be focusing upon in class throughout the second part of the Autumn term in Class Three.

Please note that the below is a summary and may change over the course of the term based on the children's needs and interests. It does, however, offer insight to enable you to further support your child's learning outside school.

English	Writing – Race to the Frozen North by Catherine Johnson Guided Reading – Hansel and Gretel by Neil Gaiman and Lorenzo Mattotti Class Text for reading for pleasure - The Railway Children by Edith Nesbit
Maths	Number (up to and including 6-digit numbers) and Place Value Addition and Subtraction (including decimals) Multiplication and Division Measurement – Area and Volume Fractions, Decimals and Percentages Shape - Geometry
Computing	E-Safety and Digital Literacy
R.E.	Christmas and the Bible
Geography	Changes in our Local Environment
Science	Material World
Music	Children will experience a range of music through singing, listening and engaging with instruments.
P.E.	Provided by ASM sports group focusing on invasion games.
Spanish	A focus on Grammar

During the autumn term, Class Three will have P.E. on a **Monday** and **Friday**. Please ensure that your child has the appropriate P.E. kit (including footwear) in school on these days, including an outdoor kit.

The Valley Primary School

School Drive, Oakamoor, Staffordshire. ST10 3DQ. Tel: 01538 702355. e-mail: office@valley.staffs.sch.uk

Class Three will also be taking part in swimming lessons at Blythe Bridge Swimming Baths on a Tuesday throughout the autumn term. Please ensure that your child has the appropriate equipment in school on this day.

Homework will be sent home on a Wednesday and be due in on the following Wednesday. Weekly homework will consist of ten spellings (found on the school website on the Class Three page) and a Maths activity (no more than thirty minutes). It is also the expectation in Upper Key Stage 2 that your child is reading for twenty minutes per night. If this can be documented in your child's home learning diary, either by yourself or your child, that would be greatly appreciated. Your child also has access to TTRockstars to help boost their timetable recall knowledge.

It is greatly beneficial to your child when home and school work together as it enables them to flourish in all areas of school life. If you require any further information, please do not hesitate to contact me and I will do my best to assist.

Kind regards

Mr Greaves

Class Three Teacher
