

Tuesday 24th January 2023

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 3rd February 2023**.

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. We would like to invite parents, family members and guardians into school for a morning of maths fun! You will be able to join your child in school between 9.30am and 10.30am and take part in some fun maths activities in your child's class. We kindly request that one adult attends per child so that everyone can enjoy the fun together. Your child can also come to school in their own clothes for the day.

If all adds up

We will make asking for a small voluntary donation per child, which we will be donating to the NSPCC.

We're really looking forward to all the fun of Number Day, and we really appreciate your support.

All the money we raise will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Mr Greaves.
School Maths Leader.
