Red Class

We have had a wonderful time celebrating the King's Coronation in Red Class.

As part of our celebrations, we have learnt about King Charles III in our topic work. We have designed our own castle in the creative area. In guided reading, we have learnt to read CCVCC words using the crown jewels. Our maths work has been royalty inspired with number bonds to 10, as well as creating party lists and sentences about the Coronation in our English work.

Yellow Class

Over the past two weeks, we have fit a lot in!

We enjoyed lots of activities linked to the King's coronation last week including: creating flags, decorating and making crowns, learning about King Charles III, creating bunting and more. Thank you for the lovely food that was sent in for the tea party – the children devoured every last bit!

This week, along with our busy curriculum, we have focused on Road Safety. This has involved discussing types of crossing, how to be safe when crossing a road, colouring in some safety pictures and assessing whether a situation was 'safe' or 'unsafe.'

In Maths, we have been using various units of measure for temperature, length and height. In English, we have read more of 'The Last Wolf' and completed lots of descriptive writing about the forest.

We took part in many creative activities including: making and decorating our own crowns, creating Union Jack flags and bunting, and painting our class canvas! Our celebration tea party and performing our Coronation songs was a fantastic way to end the week!

This week, we have been learning all about road safety and have created posters to share our top tips for staying safe!
