## Red Class

Our Red Class pupils have settled brilliantly and we are well into the term. We have been learning a lot about ourselves and our families. We are looking at the five senses as well as experiments involving The Gingerbread Man.

Our English topic focus is on the same text, as we develop our pencil grip, letter recognition and letter formation. Our main focus this half term is to write all of our name independently.

In maths we are busy finding out about numbers. This includes counting, writing numbers, adding, taking away and ordering. We are also investigating shapes and talking about the different shapes that we recognise in our environment.

As always, we are busy being creative with drama, art, craft and music.

Please keep an eye on Facebook for our weekly updates.

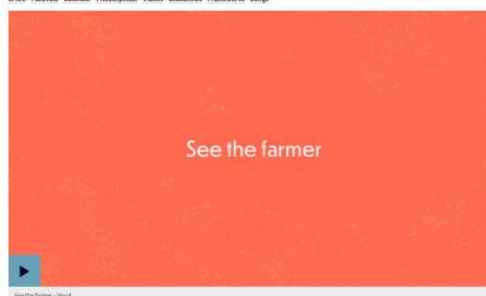

### Harvest Song

We are learning a song for Harvest. Please click the link and help your child to learn the song 'See the farmer'.

## Orange Class

Over the past couple of weeks, Orange Class have continued enjoying our English text called 'Meesha Makes Friends'. The children have been discussing the importance of friendship, identifying what qualities make a good friend and creating 'tips' to guide Meesha to making friends.

In maths, we have been super busy extending our knowledge around Number and Place Value. The children have been using many practical strategies to support their learning including cubes and numicon.

We also continued to learn about different parts of the human body in Science. What better way than to start our lesson with the classic, 'Heads, Shoulders, Knees and Toes'. The children thoroughly enjoyed this and they were even able to do it with their eyes closed!

## Yellow Class

It's been a busy two weeks but it's absolutely flown by! The children have worked so hard in maths to recognise 2D and 3D shapes, describe their properties and have even drawn nets for some 3D shapes.

In science, we have continued to explore rocks and the children have really enjoyed grouping rocks and describing them based on the type of rock that it is; sedimentary, igneous and metamorphic.

We have also been fortunate enough to take part in a road safety morning and a seatbelt safety workshop.

Please check out our photos below.

## Green Class

From Harry Potter Yoga, to our shape unit in Maths, Green class have had another busy two weeks!

In English, the children have continued reading 'Counting on Katherine' and have enjoyed discussing and recording their ideas, completing a diary entry and setting description, before completing a conscience alley task.

We certainly had a giggle!

Take a look at our pictures...

## Indigo Class

Another busy week, in Maths we have been working on 3D shapes, building and drawing representations of them. As well as improving our football skills and locating different physical features on maps of the U.K.

## Violet Class

In Violet Class, we have been learning about how to stay safe online. We have considered: what cyberbullying is, what information is safe to share online and how we can spot a secure website using different features. We enjoyed getting competitive, when our online safety knowledge was put to the test during a quiz on Kahoot!

During Maths, we have explored different 3D shapes, we have looked at their properties and made them using their nets.
