Red Class

A fantastic return to school after the half-term holiday. We are busy learning to write all of our names as well as CVC words in English. Maths has got our brains thinking hard about addition and subtraction. We are loving the introduction to our new topics, especially R.E. and Science.

Orange Class

It has been lovely to welcome the children back in Orange Class. We are ready for another busy half-term!

We have started by practicing the 2's, 5's and 10's times tables in Maths. The children have loved creating actions to support our learning of times tables. We have also started our new text in English called 'Katie in London', looking at the different attractions in London and comparing to what we have in our hometown. Finally, the children thoroughly enjoyed designing and creating a message to attach to their poppy.

Please see our pictures below.
