Class Three will also take part in Forest School sessions each Wednesday morning during the Summer Term (sessions begin Wednesday 11th June) . Homework this half-term will look slightly different. The children will be given a choice of activity to complete varying from English and Mathematics activities to more creative challenges. There will not be a certain piece due in each week, however there is the expectation that a piece of homework is completed each week and shown in class each Wednesday. If it is a practical activity, then please send photos in to the class email so we can showcase your child's achievements. (valleyclass3@tmpf.staffs.sch.uk)

There will also be ten spellings per week to learn as well as the usual access to TTRockstars to improve your child's times table recall. It is also the expectation in Upper Key Stage 2 that your child reads for twenty minutes per night.

It is greatly beneficial to your child when home and school work together as it enables them to flourish in all areas of school life. If you require any further information, please do not hesitate to contact me and I will do my best to assist.

Kind regards

Mr. Greaves

Class Three Teacher
