

## Oak Class Autumn Term 1 Overview.

### English

Our core book this half term:

The Journey by Aaron Becker

### Maths

#### Year 3

Recognise the place value of each digit in a three-digit number (hundreds, tens and ones);  
Number addition and subtraction;  
Recognise 3D shapes in different orientations and describe them.  
Recall and use multiplication and division facts for the three multiplication table;  
Add fractions with the same denominator within one whole;  
Recognise angles as a property of shape or a description of a turn.

#### Year 4

Recognise the place value of each digit in a four-digit number;  
Recognise and write decimal equivalents of any number of tenths;  
Identify lines of symmetry in 2D shapes;  
Recall multiplication and division facts for multiplication tables up to 12 x 12;  
Recognise and show, using diagrams, families of common equivalent fractions;  
Describe positions on a 2D grid as coordinates in the first quadrant.

#### Year 5

Read, write, order and compare numbers to at least 1,000,000 and determine the value of each digit;  
Read and write decimal numbers as fractions;  
Identify 3D shapes, including cubes and other cuboids, from 2D representations;  
Multiply and divide numbers mentally, drawing upon known facts;  
Compare and order fractions whose denominators are all multiples of the same number;  
Identify, describe and represent the position of a shape following a translation.

#### Year 6

Read write order and compare numbers up to 10,000,000 and determine the value of each digit;  
Multiply decimals by whole numbers;  
Recognise, describe, and build simple 3D shapes, including making nets;  
Perform mental calculations, including with large numbers;  
Use common factors to simplify fractions, and use common multiples to express fractions in the same denomination;  
Describe positions on the full coordinate grid.

### Science

**Animals including humans**

### Art

**Bodies**

<u>PSHE (Personal, Social, Health Education)</u> <b>Me and My Relationships</b>	<u>Computing.</u> <b>E-Safety</b>
<u>R.E</u> <b>Creation – What can Christians learn from the Creation story?</b>	<u>Physical Education</u> <b>Football &amp; Invasion Games</b>
<u>Geography</u> <b>The UK</b>	<u>Music</u> <b>Exploring rhythmic patterns</b>

We will be enjoying Swimming sessions **on Tuesdays** for this term. A separate letter has further information about what to bring on. Children can come to school in their PE kit on this day.

Our P.E days are **Monday, Thursday and Friday**. We ask that children come into school in their P.E kit.

The homework sheet has been sent home and gives a choice of activities for your child to have a go at over this half-term. Homework is due in on a Wednesday. If you need to email homework to school, please use the new class email ([oak@tmpf.staffs.sch.uk](mailto:oak@tmpf.staffs.sch.uk)). Weekly homework will also consist of ten spellings (found on the school website on the Oak Class page). It is also the expectation in Key Stage 2 that your child is reading for twenty minutes per night. If this can be documented in your child's home learning diary, either by yourself or your child, that would be greatly appreciated.

Your child also has access to TTRockstars to help boost their timetable recall knowledge. If you have any suggestions for activities or resources at home to support our learning we welcome your contributions, please speak to a member of staff or send an email to – [oak@tmpf.staffs.sch.uk](mailto:oak@tmpf.staffs.sch.uk) – thank you.
