Oak Class Autumn 2 Term Homework

Dear Parents/Carers,

Below is a selection of themed homework activities for your child to complete during the second part of the Autumn term. These activities are designed to be fun, educational and supportive of classroom learning. Please feel free to choose activities that suit your child's interests and complete them at your own pace. We encourage you to talk with your child about what they've learned and celebrate their efforts. Please send in photographs to our class email address oak@tmpf.staffs.sch.uk, or children can create work straight onto paper. A piece of homework is due each week on a Tuesday. The first piece of homework will be due on Tuesday 10th November.

Collect leaves and create a picture or collage.	Make a bird feeder and record which birds visit.	Read a book in a cosy spot and write a review.
Create paper snowflakes with different patterns.	Take photographs showing signs of autumn.	Plan a week of healthy and positive activities.
Estimate and count the seeds inside a pumpkin.	Create a painting, drawing, or collage of a winter landscape.	Bake a seasonal treat and share the recipe.
Observe a tree over several weeks and record changes.	Observe the night sky and record what you see.	Research and present a family tradition.
Write a poem inspired by autumn sights and sounds.	Help make a warming soup and write the recipe.	Complete 5 acts of kindness and record them.
