Willow Class

Over the past two weeks we have loved becoming space explorers! Our roleplay area has been transformed into a spaceship for us to collect meteors, build rockets and even make our own planets. In the creative area, we have been working hard to paint our own galaxies with a flying saucer. Well done everyone!

Maple Class

Maple Class love to read! Have a look at what we've enjoyed this week and read our views about why we love to read!

What do you love to read?

"I love reading because you can read about whatever you want."

"Books help you to explore things and find out really cool stuff!"

"I love reading because it helps you learn."

I love reading because there are so many different books to choose from."

"There are so many different books so you can always find something you like."

"Reading helps me feel calm."

"Books are better for your brain than screens!"
