Thriving Minds. Positive Futures.

Lateness and Attendance.

Coming to school every day and on time, means that we can learn lots of new and exciting things!

School attendance and lateness is closely monitored to ensure that children have the best opportunity to learn.

School attendance for the week ending 13.11.26 is: 97.4%.

Well done everyone!

Keeping in touch.

If you have any questions or queries you can contact the class teacher directly using our new class email, we will aim to respond during school working hours; our class email addresses are:

Manifoldexplorers@tmpf.staffs.sch.uk (Nursery).
Manifoldclass1@tmpf.staffs.sch.uk (Mrs Joyce and Mr Taylor).
Manifoldclass2@tmpf.staffs.sch.uk (Mrs Proctor).

Children in Need 2026.

A huge thank you to our wonderful Council representatives for organising this year's Children in Need activities and fundraising opportunities. From our crazy hair day to the exciting "Guess the Teddy's Name" competition, the children thoroughly enjoyed taking part while supporting a fantastic cause. Look out for photographs added to our social media page shortly! **Thanks to your generosity, we raised a fantastic £225!**

It has been lovely to come together as a school community to commemorate such an important national event. BBC Children in Need raises money to support children and young people across the UK who are facing challenges such as poverty, illness, disability, family difficulties and mental health concerns. The funds raised help provide vital support, opportunities and experiences that enable children to thrive and reach their full potential.

We are incredibly proud of the enthusiasm and generosity shown by our pupils and families. Thank you to everyone who has contributed so far and helped make the day such a success.
If you would still like to make a donation, you can do so via the official Children in Need donation page: https://www.bbcchildreninneed.co.uk/donate/
Every donation, no matter how small, helps to make a positive difference to the lives of children and young people across the country. Thank you for your continued support.

Remembrance Service.

As part of our Remembrance activities, Class 2 visited the local cenotaph this week to pay their respects and remember those who have given their lives in service to our country.

During the visit, the children shared prayers and took time to reflect on the sacrifices made by past and present members of the armed forces. They conducted themselves with great maturity and respect, demonstrating a wonderful understanding of the importance of remembrance.

On behalf of the entire school community, a wreath was laid at the cenotaph from all of us at Manifold C.E. Primary Academy as a symbol of our gratitude and remembrance. We are incredibly proud of the children for the dignity and compassion they showed throughout.

[Manifold's Open Morning .]

Please share this information with anyone you know looking for a Nursery place or a Reception place for 2027. Our open event is on Wednesday 2nd December at 9.15am. Thank you in advance.

Wrap up Warm!

As the weather gets colder, we would like to remind parents and carers to ensure that children come to school each day with a warm, waterproof coat.
We also encourage children to bring hats, gloves and scarves to help keep them cosy during playtimes and outdoor activities.

Please make sure that all items are clearly labelled with your child's name to help prevent them from getting lost.

Thank you for your support in keeping our children warm and ready to enjoy the outdoors, whatever the weather!
