Our School Prayer

Dear Father God,
This is your day,
I am your child,
Show me your way.
Amen.

We hope you all enjoyed
the Harvest service at
Church today!

Thank you to all our families
for their donations to the
Harvest this year!

Our sports teams have made us really proud playing in lots of tournaments! Does anyone know of any local businesses who would be interested in sponsoring a football kit for our teams? If so, please email the office!

CAN YOU HELP?!

We are looking for 2 volunteers to run our wonderful Peter Pan Play Group!

This would be for 8:30am-11am on Thursday's during term-time and begin in January 2027.

If you would be interested, please email the school office: stpeters@tmpf.staffs.sch.uk

Ash Class

What a super couple of weeks we have had! Our space topic is in full swing and the children have been loving our continuous provision!

They really didn't agree that animals were sent to space and thought this was really unfair.

We'll start to learn about famous astronauts next!

"You are Peter, and on this rock I will build my Church." Matthew 16:12

Birch Class

We have begun our new Science topics: Year 2 are learning about properties of everyday materials, while the older children are learning about forces. After learning about contact forces like pushes, pulls and friction, we had great fun this week learning about magnetism! We used our class magnets to create magic tricks, then tested different materials to see if they were attracted to a magnet.

In Forest School, we have been making these amazing natural works of art!

Children in Key Stage Two also completed their Bikeability Level 1 awards this week. They learned basic bicycle control and handling skills in the safe, traffic-free environment of the playground. They are now ready to take their skills on the road when they get to middle school and Bikeability Level 2!
