Fluency- add and subtract within 10 Addition and subtraction of 2-digit numbers Introduction to multiplication	Perimeter 3, 6, 9 times table

Science

Rocks & Soil

Art

Monochromatic: How do artists draw faces?

PSHE (Personal, Social, Health Education)

Valuing Difference

Computing

Scratch

Religious Education (R.E)

What is the Trinity and why is it important for Christians?

Physical Education (P.E)

Gymnastics

Geography

Land use: What facilities are in my local area and how do people travel there?

Our P.E days are **Monday and Friday**. We ask that children come into school in their P.E kit.

May we remind you of our expectations for homework and reading. We would love it if our children could read at least five times a week and record this in their reading diary. Reading books will be changed at the teacher's discretion to ensure there is fluency and a good comprehension of the text. We ask that as part of their homework children access Times Table Rockstars at least 3 times a week, Year 2 will continue to access Numbots as part of their practice. Spellings can be found in the children's spelling books and will be tested each Monday.

If you have any suggestions for activities or resources at home to support our learning, we welcome your contributions, please speak to a member of staff.

Thank you, Mrs Proctor.
