Executive School Leader : Mrs Charlotte Bould

Wednesday 5th August 2026.

Dear Parents and Carers,

I hope that you and your families are enjoying a wonderful summer break.

It is with great excitement and privilege that I write to introduce myself as the new Executive School Leader of Manifold Church of England Academy. I am absolutely delighted to be joining this wonderful school community and I am very much looking forward to meeting all of our pupils, families and staff as we begin the new academic year together.

At Manifold, we are incredibly proud of the warm, caring and nurturing environment we provide for our children. I firmly believe that the most successful schools are built on strong relationships between home and school, and I look forward to working closely with you in a collaborative partnership to ensure every child feels happy, supported and inspired to achieve their very best.

As we prepare for September, I would like to remind families of our school structure for the new academic year:

Manifold Explorers (Nursery)

Our wonderful nursery provision will be led by our fantastic team: **Amy, Victoria, Lisa, Kat and Sara.**

Class 1 (Reception - Year 1)

Our amazing Class 1 children will be taught by our fabulous: **Mrs Joyce and Mr Taylor**

Class 2 (Year 2 - Year 4)

Our fabulous Class 2 children will be taught by the amazing: **Mrs Proctor.**

We are also incredibly fortunate to have the support of our superb Learning Support Assistants: **Mrs Turner, Mrs Wood and Miss Goldstraw**, who work tirelessly to support our children both academically and pastorally every day.

We are also fortunate to have the support of our wonderful Office Manager, **Mrs Virani**, who is often the first friendly face and voice that families encounter. Mrs Virani plays a vital role in the day-to-day running of the school, supporting pupils, staff and families alike. Whether you have a question, need assistance or would simply like some guidance, Mrs Virani is always happy to help and is an invaluable member of our Manifold team.
