Friday 24th April

Our Amazing Stars!

Please join us on every Friday for our 'Stars of the Week' assembly at 2.45pm - everyone welcome.

We have been busy crowning our shiny stars in our celebration assemblies. Here are our wonderful winners from last week...

Red Class: Albert

Orange Class: Reuben

Yellow Class: Joe

Green Class: Heidi

Indigo Class: Emrys

Violet Class: Hannah

Headteacher's Award: Bethany (Green Class)

Congratulations to all our shiny stars!

Attendance

Each week our classes are aiming to have an attendance of 95% and above. Classes receive an award once they have collected 5 stars!

Class	Week beg: 23/03/26	Week beg: 13/04/26
Red Class	90.6%	98.7%
Orange Class	93.8%	97.7%
Yellow Class	95.6%	97.8%
Green Class	98.6%	94.6%
Indigo Class	94.4%	97.82%
Violet Class	92.4%	99.3%

Well done to Yellow Class and Green Class who achieved a star in the week commencing 23rd March.

Well done to Red Class, Orange Class, Yellow Class, Indigo Class and Violet Class who achieved a star in the week commencing 13th April.

Summer Term Clubs

We are finalising our summer term clubs and a letter will go out to all children on Monday with what clubs will be available to the children this term.

We have now added most dates for the summer term to the date list, however, below are some dates for your diary.

Sports Day

Our Sports Day will be on the morning of Thursday 2nd July and, this year, we are holding it on the sports field at Cheadle Primary School. If the weather is bad, we have a reserve date of Friday 3rd July in the morning. More details will be sent out closer to the time.

INSET Day

May half term is the week beginning 25th May. Monday 1st June is an INSET day and the children will not be in school. The children will return to school on **Tuesday 2nd June.**

KS2 Summer Production

This year's summer production will be in the afternoon of 15th July with a 2pm start and the afternoon (2pm start) and evening (6pm start) of Thursday 16th July.

Leavers' Service

Our Year 6 Leavers' Service is planned for Friday 10th July with a 9.15am start time.

Leavers' Disco

Our Year 6 Leavers' Disco will be held on Wednesday 8th July.

Confirmation Service

The service for our children being Confirmed will take place at St. Giles the Abbott on Sunday 5th July at 10.30am.

Further information about all these events will be sent out closer to the time.

Red Class

Red Class are enjoying their new topics and English text. We are really focusing upon reading skills since returning after the Ester holidays. A gentle reminder that home reading is consolidation of reading skills taught in class. Home reading helps children to practice those skills and make better progress. Library books are not for the children to read alone, they are books to share with adults.

Orange Class:

We have had a great couple of weeks in Orange Class. However, the highlight has got to be our school trip to Peak Wildlife Park.

We had a wonderful day learning all about animal habitats. The children enjoy exploring the different parts of the park, including the exciting walk-through lemur enclosure. One of the highlights was feeding the wallabies, where we learned that a baby wallaby is called a joey.

After exploring the park, the children had great fun in the play area, especially playing in the sandpit. It was a fantastic day out, and the children behaved impeccably and represented Bishop Rawe beautifully, making the trip enjoyable for everyone.

Please take a look at our pictures below:

Yellow Class

Just like that, another fun-filled couple of weeks have flown by! Yellow Class have been so busy impressing me with their writing, taking their time to work on spelling and handwriting too. In PE, the children have really enjoyed focusing on ball skills and completing our last couple of tennis lessons. We have also enjoyed a visit from Reverend Julie and have showcased our artistic talents.

Green Class

The first two weeks of the Summer term have gone by very quickly! The children have returned to school with fantastic attitudes and enthusiasm for learning, and it has been wonderful to see them so engaged and eager to get stuck into their work.

In English, the we have been thoroughly enjoying our exciting new text, *Journey* by Aaron Becker. We explored the main character and sparked lots of thoughtful discussion about where the story might take us, especially after discovering the mysterious red door that leads to an imaginative new world. The children have loved predicting events and sharing creative ideas inspired by the illustrations.

In Maths, we have been consolidating our learning of formal written methods for addition and subtraction, alongside revisiting place value. The class has worked hard to build confidence and accuracy, showing great perseverance and resilience.

Our Design and Technology lessons have been equally busy and creative. We have started the process of papier-mâché in preparation for designing and painting our own lights. The children have been thinking carefully about their target audience and are looking forward to the next stage of the project.

It certainly has been a busy and productive start to the term, and we are excited for all the learning still to come!

Indigo Class

It has been wonderful to welcome Indigo Class back to school for the Summer term.

We have been busy completing our final piece of writing, based on the story *Wisp: A Story of Hope*. We will be writing this up (in our most beautiful handwriting!) to be proudly displayed around the school.

In Geography, we have been introduced to our new topic, Ecosystems and Biomes. We have learned that we live in a temperate forest biome and now understand some of the key features of this environment.

In PE, our athletics topic has allowed us to enjoy circuit training activities whilst developing our throwing skills.

In Computing, we have started to explore the micro:bit, learning how to connect it and test simple programs on a physical device.

Some of our class were very excited to be invited to take part in cross country and football, representing our school beautifully.

Here are some photos of us taking part in a Holy Week workshop with members of the Methodist Church.

Violet Class

Violet Class have had a busy start to the Summer term! Our incredible Year 6 children have been tackling some really tricky algebra over the last 2 weeks; they have been finding values, creating formulae and solving equations. Our brilliant Year 5 friends have been solving place value, addition and subtraction problems. In our English lessons we have been exploring the text 'The Day War Came', thinking about what causes people to become refugees, and how that might feel. In our Art lessons we have been using our observation skills to accurately sketch features of faces, and in Science we are exploring electricity and circuits.
